

**CITY OF SOMERVILLE
PURCHASING DEPARTMENT
RFP 15-53**

The City of Somerville, through the Purchasing Department, invites sealed bids for:

Website Development and Content Migration

A request for proposals (RFP) may be obtained online at <http://www.somervillema.gov/departments/finance/purchasing/bids> or from the Purchasing Department, Somerville City Hall, 93 Highland Ave., Somerville, MA, 02143 on or after **December 1st, 2014**. Sealed bids will be received at the above office until: **December 16th, 2014 at 11:00am ET**. The Purchasing Director reserves the right to reject any or all proposals if, in her sole judgment, the best interest of the City of Somerville would be served by so doing.

The City of Somerville is seeking a qualified contractor to install the most current stable release of the open source CMS Drupal on a test server accessible only to the vendor, Project Manager and delegates. The test server will be provided at the expense of the vendor. The vendor will migrate the content outlined by the Project Manager from the existing website to this new installation. The existing website utilizes the Drupal 6 CMS and is hosted at <http://www.somervillema.gov>, and the vendor will stand up the new site in either Drupal 7 or 8 in consultation with the project manager, after it is determined which release is deemed most stable and advantageous at the time of migration.

Please contact Michael Richards at mrichards@somervillema.gov for more information.
